Hello Karl,
My name is Grant Bissell. I'm a reporter at NewsChannel 5 in St. Louis.
I'm working on a story today about how the government shutdown is affecting the EPA and it's work at the West Lake Landfill site.
If you're available today, please give me a call at 314-803-9141. I'd like to make sure I have my facts straight before my report tonight at 4:00 & 6:00.
Thank you for your help.
